SIROCCO SERIE

Our passion for music, sound reproduction, audio engineering, and elegant aesthetic design inspires every step in the creation of our products. Since 2002, with the launch of our very first speaker Sirocco, followed in 2007 by the "Sirocco Serie" this name of a warm and powerful wind has symbolized our commitment : to offer speakers with high performance-to-price ratios while making them accessible to many people.

Les **Sirocco 1.24** se comportent en véritable point source. Il faut y voir le résultat d'une étude poussée ayant amené à la conception de haut-parleurs et de filtres aussi performants aux mesures que convaincants à l'écoute. Le tout à tarif accessible. Que demander de mieux ?

Les + : L'expressivité, l'espace et le relief

Les - : Sans racolage ni bidouille factice (+)

The **Sirocco 1.24** behave like a true source point. This should be seen as the result of an in-depth study that led to the design of speakers and filters that are as efficient in measurements as they are convincing when listening. All at an accessible price. **What more could you ask for ?**

All other **ATOHM** speaker models are available, but only to order. Price and delivery times for each reference. Subject to modifications, **January 2025**.
